360° PANORAMA (VR) OR SPHERE VIEW

Please use the recommended SYMAX360 player to play your 360° movies on your PC or laptop.

You can watch your 360° videos and images in two ways:

1. as a complete 360° panoramic view which you can navigate and explore in every direction using your mouse or trackpad (Virtual Reality) or
2. as a complete 360° panoramic view displaying just in one shot in the form of a sphere.

WIFI CONNECTION

You can view the videos on your smartphone/tablet or use your mobile device as a remote control for the camera. Please download the app SYVR360 from the App Store or Google Play.
