

GE-HM 38 S-F

Hand Lawn Mower

Item No.: 3414161

Ident No.: 11015

Bar Code: 4006825607765

The manual lawn mower GE-HM 38 S-F is a very functional equipment for any hobby gardener, with which smaller lawns can be mowed quietly, with ease and in an environmentally-friendly manner. The special, contactless cutting technology facilitates the work immensely, as only low friction losses develop between the blades. Thus, the necessary energy expenditure and the volume are reduced. This high-quality cylinder mower has a smooth-running mowing spindle mounted in ball bearings with 5 precision-ground cutting knives from high-grade steel and enables an exact selection of the desired cutting height thanks to a four-level cutting height adjustment, in order to achieve results suitable for a golf course. Recommended for lawns up to about 250m².

Features

- Contactless, quiet and effortless cutting technology
- Ball bearing mowing spindle with 5 high-quality steel knives
- Precision-ground cutting knives of high-quality steel
- Quiet and environmentally-friendly
- Cutting results suitable for "golf course lawns"
- 4 stage cutting height adjustment 13-38 mm (13|23|32|38mm)
- Lawn-protecting, large-area wheels
- Plastic roller Ø 50 mm over the entire cutting width
- Ergonomically formed, height-adjustable handlebar
- Space-saving storage by means of the parking position
- Removable 26 litre grass catch box
- Recommended for lawns up to 250 m²

Technical Data

- Cutting width	38 cm
- Mowing spindle diameter	125 mm
- Number of mowing knives	5
- Capacity of catch bag	26 L
- Wheels diameter	220 mm
- Cutting height adjustment	4 settings 13, 23, 32, 38 mm

Logistic Data

- Product weight	8.2 kg
- Gross weight single packaging	9.5 kg
- Pieces per export carton	1 Pieces
- Gross weight export carton	0 kg
- Dimensions single packaging	550 x 455 x 270 mm
- Dimensions export carton	0 x 0 x 0 mm
- Container quantity (20"/40"/40"HC)	400 840 945
