2.1 Included accessories

Silicon Eargels

Foam tip Eargels

Earwings

Micro-USB cable

Replacement or additional accessories can be purchased online at jabra.com/accessories.

3. How to wear

The top of the EarWing should fit tight into the ridge of the ear.

3.1 Changing EarGels

For the optimal audio experience, try each of the different EarGel sizes. The fit should feel tight and secure in your ear.

3.2 Changing EarWings

For the most secure fit during your workout, and for accurate heart rate monitoring, try each of the different EarWing styles.

Remove the current EarWing and pull the new EarWing onto the earbud, as shown. You may have to stretch the EarWing into position.

4. How to charge

The Jabra Elite Sport offers up to 3 hours of playtime. With 2 full recharges in the charging case, you can enjoy a total of up to 9 hours of on-the-go battery.

4.1 Charging the earbuds

To recharge the earbuds, simply place them in the charging case and close the lid. The LEDs on the front of the charging case will flash red, yellow or green to indicate the earbuds current battery status.

It takes approx. 2 hours to fully recharge the earbuds. If the earbuds are at low battery, 20 minutes in the charging case equals up to 1 hour of playtime.

4.2 Charging the charging case

To power up the charging case, simply plug it into a USB power supply. It takes approx. 2 hours to fully power up.

The LED above the USB port will light up red when charging, and green when fully charged. It takes approx 3 hours to fully charge both the earbuds and the charging case together.

4.3 What the LEDs mean

5. How to connect

1. Press and hold the **Multi-function button** on the right earbud for 3 seconds until you hear the connection instructions. Release the button.
2. Follow the voice-guided connection instructions to connect to your smartphone.
3. You may need to press and hold the **Volume down** button for 3 seconds on the left earbud to turn it on (only necessary for first time use).

6. Jabra Sport Life app

The Jabra Sport Life app is a free app that enables you to:

- VO2 Max testing: gives an accurate measurement of your fitness level
- Race Time Predictor: accurately estimates your finish time
- Recovery Advisor: helps detect signs of over-training

7. How to use

7.1 Turn earbuds on/off

The earbuds are turned off/on whenever they are placed in the charging case, and the case is closed or opened.

The earbuds can also be turned off/on individually by holding down the **Multi-function** button (right earbud), or the **Volume down** button (left earbud), until the LED flashes.

7.2 Single earbud use

The right earbud can be used individually for mono playback or calls. For volume and skip track controls, please use your connected smartphone.

When both earbuds are turned on and are within 25cm range, they will automatically relink.

7.3 Calls & music

Right earbud	Calls & music	
	Play/pause music	Tap the Multi-function button
	Answer/end call	Tap the Multi-function button
	Reject call	Double-tap the Multi-function button
	Activate Siri/Google Now/Cortana	Press (1 sec) the Multi-function button when not on a call.

8.2 How to care for your earbuds

- Always store the earbuds in the charging case and safely protected.
- Avoid storage at extreme temperatures (above 65°C/149°F or below -10°C/14°F). This can shorten battery life and may affect the earbuds.
